

RESOLUTION NO. _____

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY
OF SANTA CLARA, CALIFORNIA, ESTABLISHING
CERTAIN PARKING REGULATIONS ON CORONADO
DRIVE AND ON STENDER WAY**

**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SANTA CLARA,
CALIFORNIA, AS FOLLOWS:**

WHEREAS, the large trucks parked on Coronado Drive and on Stender Way prevent adequate sight distance for business customers entering and exiting the street; and

WHEREAS, business and property owners have requested that the City restrict the parking on Coronado Drive and on Stender Way to prohibit large trucks for public safety reasons; and

WHEREAS, restricting the parking on Coronado Drive and on Stender Way to prohibit vehicles greater than twenty feet (20') in length and with three or more axles will enhance public safety by providing adequate sight distance for business customers entering and exiting on the street; and

WHEREAS, large trucks currently park on Coronado Drive and on Stender Way for long periods of time, effectively using these streets as storage areas and thereby preventing business owners and customers from parking near businesses on these streets; and

WHEREAS, restricting the parking on Coronado Drive and on Stender Way to prohibit vehicles greater than twenty feet (20') in length and with three or more axles will make parking more readily available for businesses on these streets, thereby enhancing the economic viability of the business, consistent with the City's economic development objectives; and

WHEREAS, the City conducted a traffic and parking study on Coronado Drive and on Stender Way. A copy of the Study is available for viewing at the Department of Public Works and Engineering located at 1500 Warburton Avenue in Santa Clara, during normal business hours; and

WHEREAS, the Study found that large trucks parked on Coronado Drive and on Stender Way for long periods of time prevent adequate sight distance for business customers entering and exiting on the street.

**WHEREFORE, THE CITY COUNCIL OF THE CITY OF SANTA CLARA HEREBY
FINDS AND ORDERS AS FOLLOWS:**

1. The City of Santa Clara hereby finds that, based on the request by business and property owners and the Study, restricting the parking on Coronado Drive and on Stender Way to prohibit vehicles greater than twenty feet (20') in length and with three or more axles will provide enhanced public safety and enhance the economic viability of the businesses.
